Project Graduation 2010

Parents, students, and friends are working on plans for Project Graduation, the annual substance-free celebration at LHS after graduation.

To meet our goal of creating a great experience for our graduates, we are reaching out to the community and local businesses for gifts and/or cash donations to pay for entertainments, food, games and prizes. Project Graduation isn't financially supported by the school system, so we rely on your contributions to make this annual event a success for our graduates.

Project Graduation is recognized as a nonprofit corporation with the State of New Jersey and has received recognition as a tax-exempt organization by the IRS under Section 501(c)(3) of the Internal Revenue Code. Contributions made to Project Graduation qualify as tax-deductible.

Your generosity and support are greatly appreciated!

Please make your check payable to LHS Project Graduation. No cash donations can be accepted. Please enclose your check along with this completed form and forward to:
